Dear Mr. Collins:

The Division received your verbal request for an extension to abate N06-37-1-1 on October 6, 2006. Your request is hereby granted. You now have until October 23, 2006, to provide information for the abatement of interim steps 1-8 in a format that can be inserted into the Mining and Reclamation Plan. This information must be accompanied with a C1/C2 form. Please make every effort to complete this requirement to preclude the need for additional enforcement actions by the Division.

If you have any questions please call me at (801) 538-5386 or
Priscilla Burton at (435) 613-1146, Ext. 207

Sincerely,
